# Polity Prelims Consolidation I

Parliament to the constitutional bodies, with a full sweep of the Red-zone foundations (Historical background to Fundamental Duties)

## What this packet is for

Thursday 12 November 2026, 4–5 hours. You test first, then repair only what failed or was guessed, then re-test the same facts from a different angle. Nothing here asks you to reread a chapter.

Your Revision Tracker shows Historical Background, Making, Features, Citizenship, Fundamental Rights, DPSP and Duties all at **Backlog / Red**. Most of Parliament-to-bodies is Amber or Green. So the foundations get a full set of their own, not a sampler.

# 1 How Thursday runs

Each block opens with retrieval. You read only after you have failed or guessed. Times assume a 4h35 day with one break; if a block overruns, cut repair time, never the re-test.

| Time | Block | What you do |
|---|---|---|
| 0:00–0:45 | Diagnostic D | 68 statements on Parliament → constitutional bodies. Mark T or F, and S (sure), U (unsure) or G (guessed) beside each. |
| 0:45–1:05 | Mark and tag | Check against Key D. Every wrong answer and every G gets a ledger line with its cluster and error type. |
| 1:05–2:20 | Repair D | Use the trap sheet, cluster by cluster. Cap each cluster at 15 minutes. Write the correct fact in your own words in the ledger. |
| 2:20–2:30 | Break | |
| 2:30–3:00 | Foundations F | 44 statements on Historical background → Fundamental Duties, with S/U/G marks, then mark against Key F. |
| 3:00–3:50 | Repair F | These topics are Red on your tracker, so allow real relearning here, up to 50 minutes. Use Cluster F of the trap sheet. |
| 3:50–4:20 | Re-test | Only the R items whose numbers match your failed or guessed items (R-D 7 tests the same fact as D 7). |
| 4:20–4:35 | Close the ledger | Anything wrong twice goes to the Phase 2 queue. Note the weakest two clusters for Friday's interleave. |

### Error types for the ledger

**K** knowledge gap — you never had the fact.
**C** confusion — you mixed up two similar items (62/65, President/Governor).
**R** misread — you missed a qualifier such as "only" or "all".
**O** over-reasoning — you talked yourself out of the right answer.
**G** guessed — correct, but marked G. It counts as wrong.

### Decision rules

A cluster below 50% on the diagnostic is a relearning job: give it 30 minutes at most and queue the rest for Phase 2.
A K error gets the trap-sheet line copied in your own words. A C error gets both items written side by side. An R error gets the qualifier circled and named.
An item wrong on both D and R goes to the Phase 2 queue with its error type.

### Exit check for the day

Re-test accuracy 80% or more on repaired items · guessed-correct under 10% of the diagnostic · every Cluster F row tested at least once · every open ledger line has a next action.

### What the numbers say

Parliament alone is a quarter of everything in this slice and 11 of the 68 Polity questions since 2022. Almost all of it is procedure, not structure: what lapses, who certifies, who presides, which House can do what.

The three Red foundation rows (origins, FR, DPSP) together carry 83 questions and appear almost every year. They are the most-asked material you have not yet revised.

### How the form has changed

Statement-type questions rose from 41% (1995–2005) to 59% (2006–15) to 66% (2016–26). 2023–26 added Statement-I/Statement-II pairs. 2026 added three administrative scenario cases ('Mr X…') and an Art. 13 scenario. Recognition is no longer enough: you must judge each statement on its own.

Rows that have faded since 2015: CAG/FC, UPSC/commissions, municipalities, PM/CoM. Keep them at card level.

## 3 Mains PYQ demand audit for this slice

Polity is 9–11 of the 20 GS-II questions every year from 2013 to 2026 (100–140 marks). This slice carries most of them. Thursday does not write answers; Saturday does. The point of this table is to show which facts from today must be ready to carry an argument.

## 4 Statement-reading toolkit

This is the Prelims equivalent of an answer-expression toolkit. Each family says what UPSC is doing in plain language, gives a short phrase to run in your head, and the line to recall when the trap appears. Understand and reproduce flexibly

**1 Authority swap**

**Plain:** UPSC tests where a rule comes from. A statement saying "the Constitution provides" is false if the rule lives in a statute, the House rules, a convention or a case.

**Phrase:** *Text, statute, rule, convention or case?* **Exam line:** If you cannot name the Article, distrust the word 'Constitution'.

**Seen in:** Zero Hour (convention, 1962) · PAC chair from the opposition (convention, 1967) · Deputy Speaker's election date (LS Rule 8) · collegium (1993, 1998 cases) · CEC selection panel (2023 Act)

**2 Actor swap**

**Plain:** The fact is right but the wrong office is doing it.

**Phrase:** *Name the hand that signs.* **Exam line:** Find the verb, then ask who holds that verb.

**Seen in:** STs declared by the President, not the Governor (2024) · office-of-profit disqualification by the President on ECI opinion · HC transfer by the President after consulting the CJI · SPSC member removed by the President · panchayat polls by the SEC, not the ECI

**3 Absolute words**

**Plain:** 'Only', 'all', 'always', 'cannot', 'must' invite one exception. But some absolutes are true, so verify; never reject on reflex.

**Phrase:** *Absolutes invite one exception.* **Exam line:** Look for the one case that breaks it.

**Seen in:** FR enforceable only against the State (false: 15(2), 17, 23, 24) · SC always bound under Art. 143 (false) · Money Bill only in the Lok Sabha (true)

**4 Number swap**

**Plain:** A real number attached to the wrong office.

**Phrase:** *Pin every number to its office.* **Exam line:** Say the office and its number together.

**Seen in:** 14 days (Money Bill) vs 14 days' notice (removal) · 62/65 · 22/30/31 members · 20 lakh / 3 lakh / 10 lakh · 29/18 subjects · one-tenth of total, not of those present

**5 Amendment and date swap**

**Plain:** The right change attributed to the wrong amendment, Act or year.

**Phrase:** *Which amendment, which year?* **Exam line:** Anchor each change to its number.

**Seen in:** 42nd vs 44th vs 86th · 1909 vs 1919 · adopted 26 Nov 1949, in force 26 Jan 1950 · Ethics Committee ad hoc 2000, permanent 2015

**6 Scope swap**

**Plain:** The right rule applied to the wrong people, House or level.

**Phrase:** *Whose right, which House, which level?* **Exam line:** Check citizens vs persons, Lok Sabha vs Rajya Sabha, Union vs state.

**Seen in:** Art. 15 for citizens only · adjournment motion in the Lok Sabha only · no joint sitting in states · Art. 323A tribunals by Parliament only

**7 Currency trap**

**Plain:** The textbook position has moved. UPSC asks the new one.

**Phrase:** *Has this moved since 2023?* **Exam line:** Check the 2023–26 box before you answer.

**Seen in:** SC strength 38 (2026) · CEC panel without the CJI (2023 Act) · no deemed assent (Nov 2025) · Preamble challenge rejected (Nov 2024) · 106th still the latest enacted amendment

### The elimination routine for multi-statement questions

1. Mark each statement T, F or ? before looking at the options. 2. Settle the one you are surest of. 3. Strike every option that contradicts it. 4. Only then weigh the '?' statement. 5. Change an answer only if you can name the reason; otherwise it is an O error in the making.

## 5 Specialist terms

Term, plain meaning, then why it matters in a question. Understand and reproduce flexibly

| Term | Plain meaning | Relevance or example |
|---|---|---|
| **Prorogation** | The President ends a session; the House is not dissolved. | Pending bills do not lapse (Art. 107(3)). |
| **Adjournment sine die** | The presiding officer ends a sitting without fixing the next date. | Done by the Speaker or Chairman; prorogation usually follows. |
| **Dissolution** | The end of a Lok Sabha's term, by time or by the President. | Lapses Lok Sabha-pending bills. The Rajya Sabha is never dissolved. |

| **Charged expenditure** | Spending that Parliament discusses but does not vote on. | Salaries of SC judges and the CAG; HC judges' pensions. |
| **Effective majority** | A majority of all the then members of the House, excluding vacancies. | Removal of the Speaker and the Vice-President. |
| **Special majority** | Majority of total membership plus two-thirds of those present and voting. | Constitutional amendments; removal of judges. |
| **Joint sitting** | Both Houses sitting together to settle a deadlock. | Art. 108; not for Money or Amendment Bills; held in 1961, 1978 and 2002. |
| **Suspensive veto** | The President returns a bill once; if it is passed again he must assent. | Not available for Money Bills. |
| **Pocket veto** | The President neither assents nor returns, with no time limit. | Zail Singh and the Indian Post Office (Amendment) Bill, 1986. |
| **Reservation of a Bill** | The Governor sends a state Bill to the President instead of deciding. | Art. 200; mandatory if the Bill derogates from the High Court's powers. |
| **Deemed assent** | The idea that delay amounts to assent. | Rejected by the Supreme Court on 20 November 2025. |
| **Ordinance** | A law made by the executive when the legislature is not sitting. | Arts. 123 and 213; ceases six weeks after reassembly. |
| **Office of profit** | A paid government post that can disqualify a legislator. | Decided by the President on ECI opinion (Art. 103); exemptions under the 1959 Act. |
| **Locus standi** | The right to bring a case to court. | Relaxed by PIL so that others can sue for those who cannot. |
| **Epistolary jurisdiction** | Treating a letter to the court as a petition. | An early PIL practice of the 1980s. |
| **Collegium** | A group of senior judges that recommends appointments. | CJI plus four senior-most judges for the Supreme Court. |
| **Ad hoc judge** | A High Court judge sitting temporarily in the Supreme Court. | Art. 127. |
| **Quasi-judicial body** | A body that is not a court but decides disputes like one. | Tribunals, NHRC, Information Commissions (Mains 2016). |
| **Compoundable offence** | An offence the parties are allowed to settle. | Only these can go to a Lok Adalat. |
| **Scheduled Area** | A tribal area under the Fifth Schedule. | The Governor has special law-adjusting powers; Tribes Advisory Council. |
| **Autonomous District Council** | A self-governing tribal council under the Sixth Schedule. | Assam, Meghalaya, Tripura, Mizoram. |
| **Weighted vote** | A vote counted by share, not by head. | GST Council: Centre one-third, states two-thirds. |

# 6 Trap sheet

Organised by how errors happen, not by chapter. Use it only to repair what the diagnostic exposed.

### 2023–26 updates that move textbook answers

**Supreme Court strength 38** including the CJI: an Ordinance in May 2026, replaced by the Supreme Court (Number of Judges) Amendment Act, 2026. The previous increase was in 2019.

**CEC and ECs:** the 2023 Act set a selection committee of the PM, the LoP (or leader of the largest opposition party) and a Cabinet Minister nominated by the PM, replacing the CJI who sat in the Anoop Baranwal interim panel. The Act's validity is under challenge in the Supreme Court.

**Governor and President on Bills:** the 20 November 2025 advisory opinion rejected court-imposed timelines and deemed assent, overturning that part of the April 2025 Tamil Nadu ruling.

**Preamble:** on 25 November 2024 the Supreme Court dismissed the challenge to 'socialist' and 'secular' (Dr Balram Singh).

**Amendments:** the 106th (2023, women's reservation) remains the latest enacted amendment as of August 2026. The Constitution (131st Amendment) Bill, 2026, to advance that reservation, failed in the Lok Sabha in April 2026 for want of a two-thirds majority of those present and voting — a live example of the special majority.

**Lok Sabha Ethics Committee:** ad hoc from 2000, permanent from 2015 (asked 2024).

Understand and reproduce flexibly

| Bill's position | Fate |
|---|---|
| Pending in the Lok Sabha | Lapses |
| Passed by the Lok Sabha, pending in the Rajya Sabha | Lapses |
| Passed by the Rajya Sabha, pending in the Lok Sabha | Lapses |
| Began in the Rajya Sabha, pending there, never sent to the Lok Sabha | Survives |
| Joint sitting notified before dissolution | Survives |
| Passed by both Houses, awaiting assent | Survives |
| Returned by the President for reconsideration | Survives |
| Any bill, on prorogation | Survives |

> **Plain:** a bill dies only if the Lok Sabha that owns it dies.
> **Phrase:** *dissolution kills, prorogation pauses.*

### The Governor's options on a state Bill

Understand and reproduce flexibly

| Option | Then what |
|---|---|
| Assent | Becomes law |
| Withhold assent | Bill falls |
| Return (not a Money Bill) | If re-passed, the Governor must assent |
| Reserve for the President | Mandatory if it derogates from the HC's powers. President may assent, withhold, or direct return; the legislature must reconsider within 6 months; the President is still not bound |

> **20 November 2025 opinion:** courts cannot fix timelines for the Governor or President; there is no 'deemed assent'; but a Governor cannot sit on a Bill indefinitely.

### Devices of the House

Memorise word for word

| Device | House | Key rule |
|---|---|---|
| Adjournment motion | Lok Sabha only | Needs 50 members; carries censure |
| No-confidence motion | Lok Sabha only | Needs 50 members; no reasons required; targets the whole Council |
